Sicilian artistic and cultural heritage

Italy has the 60% of the world artistic and cultural heritage.

Sicily has the 60% of the italian artistic and cultural heritage. So you can figure out Sicily is endowed with the most important and famous artistic and cultural heritage in the World.

The Erasmus students will be able to visit all the artistic and cultural marvels in Sicily: they will perceive the art and culture around them, literally.

So the **ACCADEMIA DI BELLE ARTI "KANDINSKIJ"** in **Trapani**, wants to provide the Erasmus students with the following

SICILIAN ARTISTIC AND CULTURAL HERITAGE POCKET DIARY

2

It aims to:

- Developing the cultural exchange between the sicilian and european students
- Letting the Erasmus students know the sicilian artistic and cultural heritage and most important cities;
- Letting the Erasmus students may also learn by seeing the sicilian heritage in real context.

The "**Sicilian artistic and cultural heritage pocket diary**" is a brief guide to let the Erasmus students may reach places, cities, museums, archaeological parks and local attractions.

The Erasmus students will receive an Academic card and let them the free entrance in almost every sicilian museums and archaeological parks. In other cases the card lets to have an hard discount on the ticket prices.

Art and culture in Sicily

Sicily is the Italian "Magna Grecia".

Also Sicily is famous in the world for its remarkable landscapes and natural heritage. The province of Trapani is one of the most appreciated territory for its culture, artistic and natural heritage, and for its culinary delights in Italy. During the **Semester Courses** students will have the chance to know the Sicilian and Italian cultural heritage and contemporary cultural opportunities, from real life, thanks to guided tours in the main cities, focused on the history of Sicily.

Students will visit the city of **Palermo** which is the **2018 Italian Capital City of Culture** and its several cultural events and art exhibitions, the **Temples Valley** in **Agrigento**, **Old** and **New Gibellina** the largest sculpture open museum in Europe, **Motia Isle**, the city of **Siracusa** and its **Archaeologic Park**, the city of **Catania** and its **Etna Valley**, the city of **Taormina** and its **amphitheater**, the **Dancing Satyr**, the **Egadi Archipelago**, the **Eolie Archipelago**, the **Atelier sul Mare** the first museum-hotel in Europe, the **Roman mosaics** in **Piazza Armerina**, and many more natural and cultural beauties.
